

THE TECUMSEH SONG

Above Winnepesaukee's wooded shores,
Lulled by soft lapping waves,
Bold Indian Chiefs in days of yore
Roamed with their painted braves.

But now there comes another race,
Tanned by the sun and strong.
Proudly we take
The Red man's place.
Tecumseh to thee we belong.

Tecumseh, Tecumseh
Your days to us are dear.
Tecumseh, Tecumseh,
Our hearts shall show no fear.

We're strong on water and on land
Our hearts are brave and free.
United we shall always stand,
Tecumseh's sons are we!

OWED TO PEMI

There's an old tradition
called camp competition
that Tecumseh and Pemi have known.
And both have a vision
that the final decision
will make the Hat their own.

It would be a sin
if Pemi should win,
and it rarely happens that way.
But when the games are done
and Tecumseh has won,
it will have been a rewarding day.

It's really a shame,
to lose the game,
but sportsmanship's the true test.
For when you give it all you got,
you may lose the whole lot
and take pride in doing your best.

Yes, there's an old tradition
called camp competition
that Tecumseh and Pemi have known.
And somehow this season
there's a special reason
why the Hat should remain our own.

SENIOR TECUMSEH BOYS

Established in 1927, this award is given to the senior boy who, by vote of the senior campers, typifies the spirit of Camp Tecumseh with emphasis on manliness, service, loyalty, and leadership. A plaque donated by Ernest Scott (father of David R. who was Tecumseh Boy in 1954) with the names of all previous Tecumseh Boy winners is awarded and held by the winner for one year. Starting in 1988, the Senior Tecumseh Boy also received a \$2000 scholarship to an institution of higher learning from the \$35,000 bequest of Arthur F. Armstrong who was a counselor at Tecumseh in the 1920's and later Chairman of the Trustees from 1970 to 1979. Mr. Armstrong continued his enthusiasm for Tecumseh until his death on September 29, 1987. Armstrong's ashes were spread around camp at his request

TIM O'SHEA'S WEDDING - 1993

THE GREATER THAN, LESS THAN, EQUAL TO FUN PAGE

If you are a Tecumseh person, you surely know the rules for this game. Look at the item in the left column and the item in the right column. In the middle, on the line, put either a > sign, < sign or = sign. Winner gets a Slushy this summer at Jo-Jo's, prepared and served to you by Russ Beznovksy and Tim O'Shea.

We can give the gift of a Tecumseh summer with your help!!

If you do not receive physical mailings or email from Tecumseh, or you know someone that doesn't, please email Paul Colistra at pcolistra@hotmail.com to update the Tecumseh database.

CAN YOU RECOMMEND ANY PROSPECTIVE CAMPERS?

Many Tecumseh alumni ask "How can I still help Tecumseh?" By far, the greatest way that you can help Tecumseh is to recommend prospective campers. Many current and past Tecumseh campers found out about Tecumseh through alumni.

If you know of a potential camper for Tecumseh, please contact Camp Director Jim Talbot by e-mail at: camptecumseh@comcast.net or write him at 1906 Johnson Road, Plymouth Meeting, PA 19462. Please include the prospective camper's name, address, age, phone number and e-mail address so that Jim can get in touch with the family.

Remember that many years ago, someone got your family in touch with Tecumseh. Please repay that favor by getting someone else in touch with Tecumseh.

WE NEED ALUMNI PHOTOS

Hopefully all of you have seen the extensive photo collection from Tecumseh's history. We have over 1000 photos taken at Tecumseh from 1903 up to present day. If you have photos from your time at Tecumseh, we would love to add them to the Archives Photo Album. Please either send digital photos to Biff Sturla at biff@lmsc.net or send prints to Biff at 149 Clemson Road, Bryn Mawr, PA 19010. He will scan the photos and quickly return them. Be sure to include your return address so that he can return the photos to you.

Tecumseh's web page is: www.camptecumseh.net

The leather trimmed belts are \$25 and are available in all sizes.
The other belts are \$12.00, one size fits all.

If you are interesting in purchasing a tie or belt contact **Nina Talbot** at thefarmette@msn.com. Proceeds support the Blue-Gray Scholarship Fund.

CAPITAL IMPROVEMENTS: 2003-2010

Because of the generous donations from so many alumni over the years, Tecumseh has been able to make many significant improvements to its already beautiful facilities. Tecumseh strives to keep the appearance of many buildings the same, but many improvements have had to be made to insure that the facilities work properly and are safe for current and future generations.

Major capital improvements made since Tecumseh's 100th Reunion celebration in 2003 include the following:

- Complete Replacement of the Main Dock at the Waterfront
- Renovation of the Barn and Farmhouse
- Renovation of the Lodge
- Renovations on the Cooper Cottage and Director's Cottage
- Drainage for and Resurfacing of Grant Field
- Irrigation System for Grant Field
- Improved Drainage for Stanley Field
- State-certified Septic System
- New Roofs on all Major Buildings
- Climbing Wall in the Barn
- Putting Green
- Larger Shower Room
- New Soccer Goals and Basketball Backboards
- New "State-of-the-Art" Audio-Visual Equipment in the Opera House
- Purchase New Ski Boat
- Painted the Farmhouse
- Painted the Director's Cottage
- Contributions to the Blue-Gray Fund
- Scheduled Painting of Camper Cabins

To the many Tecumseh alumni who have made donations over the years, Tecumseh greatly thanks you for your generosity. Through your support, the current campers and counselors continue to have excellent facilities, sports equipment and lodging.

PROPOSED CAMP TECUMSEH INDOOR PAVILLION

As we launch into the future at Camp Tecumseh new facilities with a specific need are a priority. One such need is an indoor facility to enable us to be fully operational in the rainy season. This is especially important in the shorter 3.5 week sessions that we now offer at camp. It is another example of the progress we are making to both move Camp Tecumseh into the future while maintaining our hallowed tradition and history.

FROM THE 2010 REUNION ORGANIZING COMMITTEE

Mr. Fraser and Mr. Glascott,

Over the last seven months we have had the pleasure to reflect on your many contributions to Camp Tecumseh. As the organizing committee, we have spoken to hundreds of former campers, counselors, and friends of Camp Tecumseh. So many of them have a specific story of you and the influence you have had on them as friends, as athletes, and as young men.

We have believed from the beginning that this would be a great celebration of the fabric that makes Camp Tecumseh what it is...a place that makes good boys better. The two of you will always be the lasting symbols of that mission.

We wish you and your families the very best!! We are very glad to have served on this committee for such an appropriate celebration of two of Camp Tecumseh's living legends!!!

Thank you for over 120 years of combined service!!!
